About Medipak Systems

Medipak Systems is partner to the international Pharma and Biotech Industries and provides solutions for secure and efficient processes for the manufacturing, inspection and packaging of pharmaceutical products. Global leadership in technical know-how, outstanding service and close personal contact form the basis of our long-term partnerships.

Medipak Systems unites internationally successful enterprises with locations in Germany, Switzerland, the Czech Republic, the USA, Brazil and China and offers a single source for software, materials, machines and technologies for the production, inspection and packaging of pharmaceutical products: these include Pharma Manufacturing Execution Systems, the development and production of standard and special folding boxes, innovative packaging and inspection machines, and solutions for the traceability of medicines.

Medipak Systems unites the companies and brands Dividella, Fargo Automation, Mediseal, Rondo, Seidenader Maschinenbau, Systec & Services, Traxeed and Werum IT Solutions. Approximately 1,700 employees worldwide work for our company. Medipak Systems is a Business Area of the Körber Group, an international leading technology group with around 11,000 employees and an annual turnover of € 2.6 billion.
